

SCHMOOZE NEWS JANUARY 2010!!

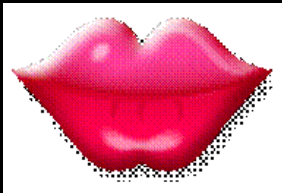

Rekryteringen Network (Swedish) ..."The Recruitment Network"

FANTASTIC, YOU MADE IT INTO 2010, THE YEAR OF THE TIGER!! WHAT A GREAT YEAR IT'S GOING TO BE!!

Hire the right people and help them become better

Rising unemployment presents a golden opportunity. It is better to cause a little turmoil to get the right people in your key positions now - than to put up with average staff just to avoid disruption. Weak managers employ staff weaker than themselves, and sometimes not very good delegators - trying to do everything themselves.

Employers must seek out people who are better qualified than themselves in their area of expertise. The key to success is to build a fabulous team, and then become the coach of that team.
